GUIDELINES for Student Play @ Taconic Golf Club

The following information is provided for all facets of student play at Taconic Golf Club. While the facility is a college owned property, it is NOT operated by or for Williams College. A variety of concessions are offered to alumni/students/faculty/staff and members of the varsity golf teams, but within established guidelines. Some of the more important ones include the following:

1) Tee Times are recommended for play at Taconic and may be secured by calling the golf shop (458-3997) no more than 3 days in advance of the day they wish to play.

2) A “Dress Code” is in effect for all players of the club. Please read the posted rules listed on the website www.taconicgolf.com and on the club information board. Tee shirts & Athletic tee shirts are not acceptable on property. Gym shorts/cut-off shorts and excessively short shorts are not prohibited and shoes must be worn at all times.

3) Pace of Play is an important issue at our club. We have a long history behind the principle of the 4-hour round of golf (18 holes). Every effort should be made to complete 9 holes in 2 hours regardless of your playing ability, good or bad. Proper etiquette dictates that faster players be allowed to “play through” slower groups at an appropriate time – such as the next tee.

4) Course preservation is extremely important and very simple:
   a. Replace all divots when hitting a shot
   b. Rake all bunkers after you play from them
   c. Ball marks should be fixed properly
   d. Excessive abuse to the course will not be tolerated and grounds for suspension from the golf course plus any appropriate damage fees.

5) Each player must have his or her own set of golf clubs.

6) All rounds begin on hole #1. Starting on #10 or any other hole is prohibited, unless you are joining a group making the turn from the front nine to the back nine. The starter controls all play.

7) UNDER NO CIRCUMSTANCES, can more than 4 players be allowed to play in the same group.
